*Consuming raw or undercooked meats may increase your risk of foodborne illness.

of Eating

Hey! Good to see ya. Looks like you could use something to eat. Great. We've still got all your favorite stuff so grab a seat, order a cold one and settle back for some seeerious chewing and swallowing.

R.J. GRUNTS

LINCOLN PKW

R: J. GRUNTS

What did the cheese burger say to the condiments?

Lettuce
ketchup!

I don't

A close-up of a Chicago Style Catch-Up label. The label is white with a black border. At the top, it says "CHICAGO" in a large, bold, sans-serif font. Below that, "★ STYLE ★" is written in a smaller font. In the center is a cartoon tomato character with a smiling face, wearing a small green leafy hat. At the bottom, it says "CATCH-UP" in a bold, sans-serif font. The label is attached to a glass jar, with a portion of the jar's rim visible on the left.
