

Specialty Diet

Vegetarian

While we make every effort to source ingredients that align with a vegetarian diet, certain trace ingredients may be present in select products. All food is prepared in a shared kitchen where cross-contact with non-vegetarian items may occur. If you have specific dietary concerns, please let us know before ordering or contact your physician with further questions.

Specialty Diet

Gluten-Friendly

Gluten-friendly options are prepared in a kitchen that also handles gluten-containing ingredients. While precautions are taken to minimize cross-contact, a completely gluten-free environment cannot be guaranteed. If you have specific dietary concerns, please let us know. For those with severe gluten intolerances, check with your physician before ordering.
